To achieve these goals Ambe Durga Education Society started Dadasaheb Balpande College of Pharmacy (DBCOP), in the year 2006 offering a four year Degree course in Pharmacy (B.Pharm). With the constant quest for excellence, the DBCOP now offers a Post-Graduate Course in Pharmacy (M.Pharm) in four specializations (Pharmaceutics, Quality Assurance, Pharmaceutical Regulatory Affairs & Pharmacology). The institute has been accredited by the NBA and NAAC (A+) the apex accrediting bodies of the government of India. Dadasaheb Balpanade College of Diploma in Pharmacy (DBC DIP) was established in the year 2015. The diploma course in pharmacy (D.PHARM) is recognized by Pharmacy council Of India, Newdelhi and affiliated to Maharashtra State Board Of Technical Education (MSBTE), Regional Office, Nagpur.

Ambe Durga Education society was awarded with the **"BEST EDUCATION SOCIETY"** award by RTMNU.

ADES started Balpande Public School & Jr. College at Besa, Nagpur & Girad, looking towards the lower literacy rate in rural Maharashtra than the national average. To address the challenges of inadequate infrastructure, shortage of qualified teachers, language barriers, poverty, and gender discrimination BPS provides excellent infrastructure, competent teachers and digital infrastructure in reasonable fee structure.

MESSAGE

CHAIRMAN

Inspired by the great philosophies on education, Ambe Durga Education Society's vision and mission constantly reminds us of our responsibility to impart quality education to different strata of our society.

It gives me immense pleasure to share that Balpande Public School has been endeavouring on its mammoth mission ever since its inception to form global citizens and champions in education, sports, discipline and multi-tasking with a sense of responsibility and accountability.

The school endeavours to equip its students to excel in academics, and to be savvy in the use of technology. We are of the strong opinion that knowledge has to become a liberating experience for a child and we encourage the child here to discoverer his interests, his talents and aptitudes, and learn to form his opinions and his role in a society.

We, at the BPS strive hard to create more interesting and meaningful learning experiences, through which our students will be able to develop the most relevant skills, habits and character attributes.

We, at BPS strive to create an ambience that fosters learning and provides opportunities to the students to explore and grow even through challenging situations and identify their strengths and reinforce them.

We, at BPS, put the learning first and design our teaching in a way to bring out the best from the students to ensure the most productive learning.

I wish the Principal, the Staff and parents God's abundant blessing for manifold success.
